Back to Basics

Routine, commonplace, the same old thing usually describe the basics, but basic can also lend to security and familiarity, two concepts which evoke strength and unity.

Changes over the last few years, such as the addition of the freshman class, remodeling and adding on to the building, and the addition of new teachers and programs to accomodate everyone, proved to be a challenge. Students accepted these changes and worked through all the problems together. As things began to settle down and the changes became minor, students realized there was a need to get back to basics.

During the flood of '82 students shared their unselfishness and created a new spirit of unity between themselves and the community.

With school enrollment stabilized at 2,500 the same as in the past few years, students could expect a well planned routine in most academic subjects. These subjects focused

more on basic objectives. After the basic objectives were met and understood other levels could be reached.

Out of necessity, sports programs also emphasized basic fundamentals. With summer weight training and before and after school practice sessions, athletes developed stamina and endurance, two characteristics which are always necessary for success. Most coaches agree a winning team is usually a result of stressing the basics in practice.

Basic traditions of the school year such as Spirit Week, Homecoming, Christmas Open-House, and the Junior Senior Prom were also a few of the activities in which students took part in the actual planning and preparation, students carried on the traditions that helped to make these events a success.

Students also found that they could accomplish whatever they set their minds to. Whether it be in academics, in sports, or in personal goals, getting back to basics was the rule rather than the exception.

"Pumping iron" has become a popular way to stay in shape as these girls have found out.

Basic Ways Offer Solutions

Jobs were hard to find and prices were high. To deal with these problems, students realized it was time to get back to basics.

Many students decided that bike riding, instead of driving, was a good way not only to cut back, but to get exercise at the same time. Students who lived near school walked there for the same reason.

Students who owned cars found out that many times the high prices of gas forced them to cut down on their driving. When driving was necessary students pumped their own gas at self-serve stations to save

money.

Others looked for jobs to earn extra money. Some took advantage of school facilities offering equipment and basic services free. Jobs not only gave students an opportunity to help out at home but to become more responsible and independent. "Having a job made me less dependent on my parents. I wasn't constantly asking them for money anymore," junior Matt Georgi said.

When problems caused by recession arose students were given a chance to prove that getting back to the basics was usually the best solution.

Riding a bike to school is not only good exercise but also a good way to save gas money.

Vacation Memories

Sherri Putman and Terah Skelton cool off on a boat ride at Lake Wawasee.

Screams and yells filled the building as the last bell rang. Students rushed through the doors ready to carry out all the plans they had made for their summer vacation. After students returned to school many of them shared memories of their summer experiences.

A number of students, like Junior Scott Steele, kept busy during the summer by attending sports clinics. Scott attended a wrestling clinic at Michigan University to help get him ready for the approaching season.

Others, including Seniors Tim Brown, Ken Carlson, and Kent Oberlin, were involved in a leadership workshop to prepare them to meet all the challenges of being an active student-council officer.

Still others went to area church and outdoor camps. Junior Patti Griswold attended a Christian camp in Lawton, Michigan. While there she participated in the usual camp activities, such as swimming, sailing, and drama productions.

Popular vacation spots last summer were: King's Island Amusement Park in Cincinnati, Ohio, area lakes, and the World's Fair in Knoxville, Tennessee. Snider teacher, Joe Miller chaperoned a group of Snider students on a three day excursion to the World's Fair.

Students agree that once school is out they usually don't have too many regrets. They appreciate no alarm ringing at 6 o'clock in the morning, no due assignments, and loads of free time to do as they please. On the other hand, many also feel that by the end of vacation, they are usually ready to go back. Senior Scott Short put it this way, "I was ready to go back to school to see the friends I hadn't seen all summer."

Surprisingly, relationships between friends don't suffer because of vacation. Friends got together for swimming, bike riding, or just cruising to the local "hang-outs" like McDonald's and Pizza Hut. Summer also gave students a chance to visit long distance friends.

When September arrives, all too quickly, most students agree that the freedom summer offers will be missed the most and already they begin to look forward to the next summer vacation.

Getting together with friends is the best part of student life.

STUDENT LIFE

Student life . . . the activities that, although related to school, were not part of the 8:00 to 2:30 grind.

Students all had their own routines for after school. Many students worked, were involved in sports, or had some other special interest. After school hours students were able to get together as friends and enjoy the freedom that being out of school offered. They attended

school-related activities such as dances and sports events, or they just hung-out with friends.

It was this part of high school that shaped a student's personality and developed his individual interests.

Even though these interests were far from routine, when the students got down to basics they all came together as one and joined school life with student life.

After a few weeks of school, everyone begins to look forward to Spirit Week, and this year was no different.

Several ways students got a chance to show their spirit were by wearing pajamas to school or by "punking out."

The hall decorations followed the theme of Entertainment and the Sophomores were victorious with their interpretation of movies.

The real surprise during Spirit Week came when the Juniors won the Powder Puff Football game 7-0 over the Seniors.

As the week came to a close, it was evident that many new traditions had started and many old traditions had carried on.

Terah Skelton and Raggedy Ann are both full of smiles on Pajama Day.

Spirit Week Ends With A Victory

As Spirit Week came to a close the Homecoming night excitement began to build.

The evening started out with the judging of the car decorating contest. Afterwards students formed a caravan out to Spuller Stadium.

The football game against Bishop Dwenger was played before a standing room only crowd of 8000. With a half time score of 35-14, things looked bright for the Panthers.

Also at half time, the Homecoming Court was presented and Jenny Fanger was crowned queen.

When the game resumed the Saints scored two touch downs to make the score 35-28 with seven minutes and ten seconds remaining in the game. Steve Wild added a field goal to secure the Panther victory.

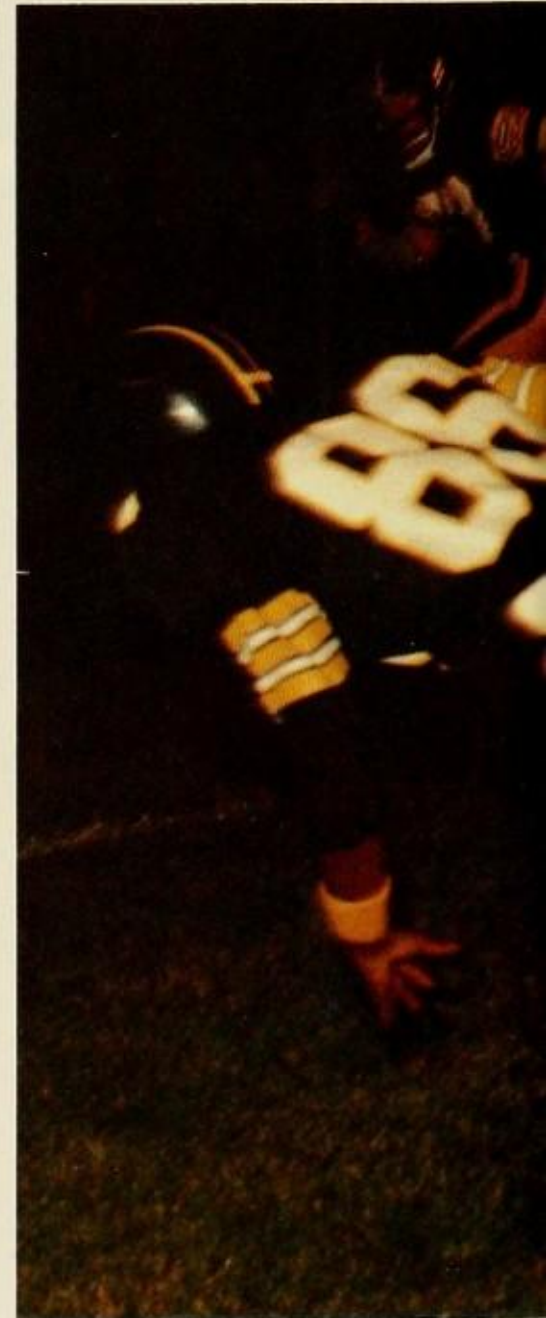

After the game, many happy fans headed back to Snider to end the evening celebration at the Homecoming dance.

Foreign Language Open House Exhibits Cultural Traditions

Chris Eisberg, Julie Webb, and Jackie Beerbauer admire the handmade ornaments that decorate the German Christmas tree.

The Annual Christmas Open House, sponsored by the foreign language department, was its usual success. The event was open to the community, and refreshments were served in the lobby. Projects and room decorations made by twelve hundred foreign language students were displayed in the rooms. Spanish projects consisted of pinatas, Mexican symbols on cloth and yarn art. French students made banners, stained glass windows, and wall decorations. Latin projects consisted of mosaics and wall decorations. For German classes, the projects were Christmas trees and banners with Christmas songs.

Cultural dances were performed in the cafeteria and carols were sung in the main hall for entertainment.

Every year the people who visit the Open House are able to view common holiday traditions from around the world.

Working 5 to 9

Working 5 to 9 is very familiar to many Snider students. In spite of the high unemployment rate, quite a few Snider students were able to find jobs.

Having a job offers many advantages including extra spending money, on-the-job experience, and most importantly, a sense of accomplishment. Most of these advantages tend to outweigh the disadvantages of less free time and less time for school work.

Most students agree that having

a job gives them the independence to buy things or do things that they wouldn't have been able to afford before.

Other students found that with the high cost of a college education, it was necessary for them to work at a part-time job in order to finance their future education.

Whatever a student's reason for having a job, it is a good first step to being on their own and becoming independent.

Night Moves

Where did students hang out after school and on weekends? Video game arcades, Glenbrook Square, and McDonald's seem to be at the top of the list.

Video game arcades gave students a chance to use their skills at zapping the bad guys, not to mention, a chance at pouring quarters or tokens into the various machines.

Glenbrook offers a wide variety of

activities including movies, shopping, ice skating, or eating.

McDonald's was a popular spot after sports events because students could sit around and catch up on the latest happenings.

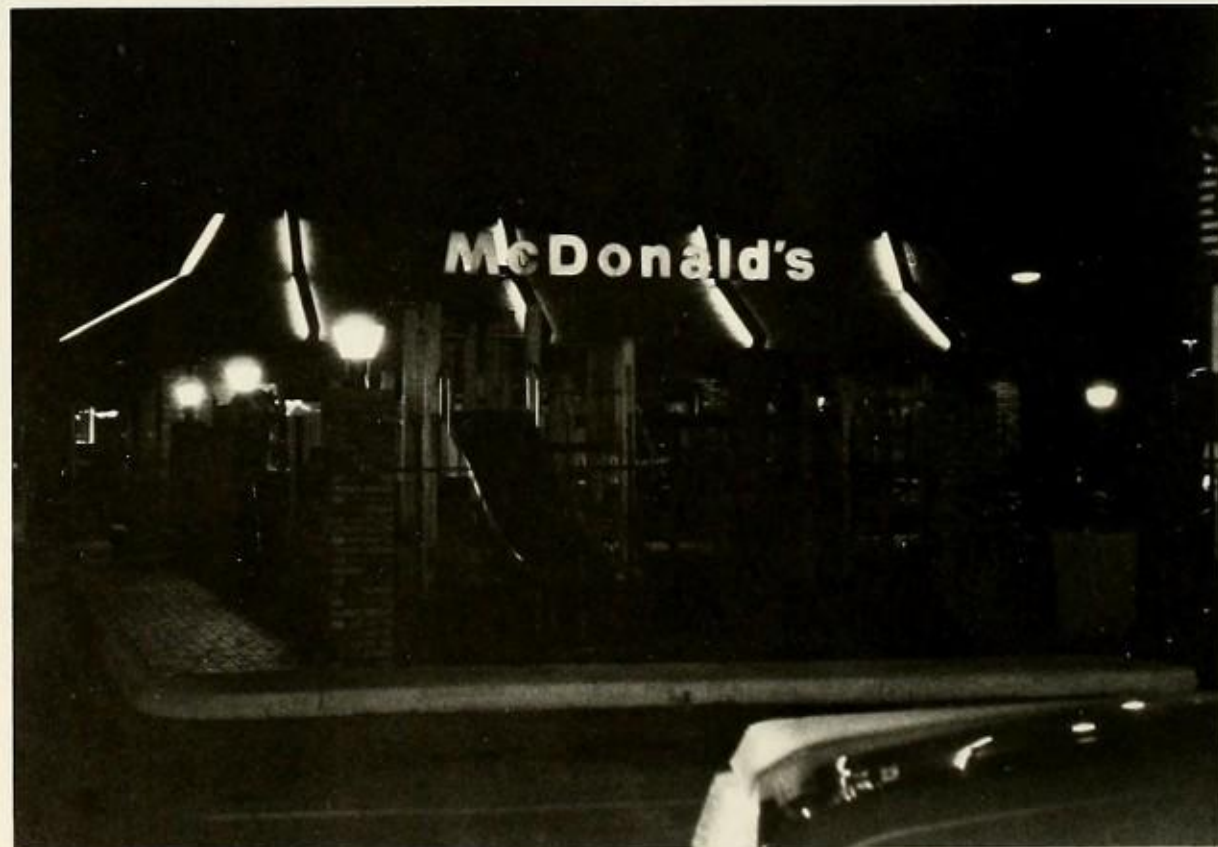

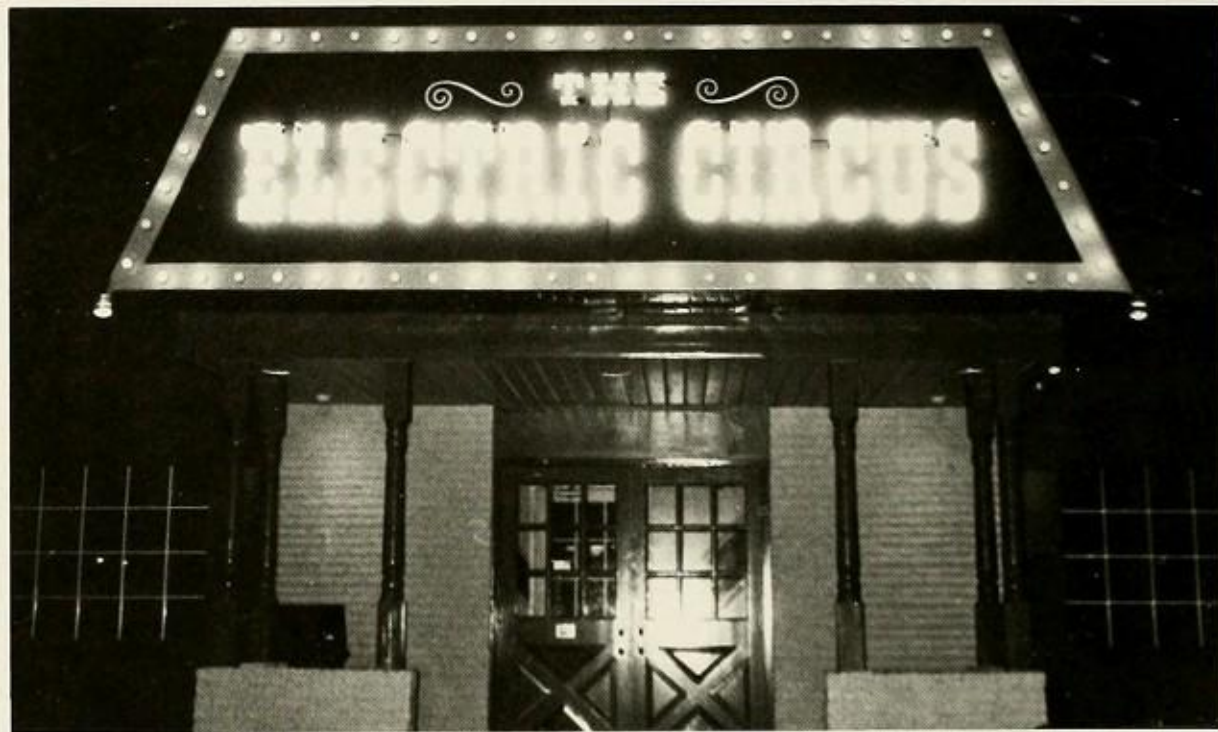

Any day of the week Snider students could be found at one of these hang-outs, just looking for something to do.

What's Hot?

Popular fashions this season ranged from the classic look to the punk look. Western fashions like cowboy boots and prairie skirts as well as black and white tuxedo outfits were also very chic.

Sweatsuits in every color imaginable became popular not only for working out but for everyday wear.

With the release of the movie E. T. brought everything from E. T. dolls to E. T. games. The video game craze made Pac-Man a household word. Pac-Man and E. T. were everywhere.

Band performs at IU game

This year the mighty Snider Panther Band was honored by being invited to perform at halftime during the Indiana-Syracuse football game. The trip was fun for everyone who participated. The buses and truck were loaded during the wee hours of the morning on Saturday, and the Band hit the road. They arrived in Bloomington in the late afternoon, practiced in the stadium and then ate dinner. After the members changed into their uniforms, they settled in to watch the first half of the game. Then, before a crowd of 40,000 people and ABC sports cameras, the mighty Band "Strutted their stuff." After the game, there was a slumber party in the Bloomington North High School. On Sunday, the weary travelers returned home.

More "Morp" Fun

The second annual "Morp" was sponsored by Snider's Student Council. The "Morp" is just what it says, a backwards Prom. The "Morp" is different in more than one respect. The right to pick and choose a date belongs to the girl. The shoe is on the other foot now, it's the guys' chance to experience the anticipation of waiting for an invitation. Along with choosing her date, the girl is expected to dig down deep into her pocket and pay for the evening. The "Morp" provides a unique dress-down experience for the Snider student and it proves to be a fulfilled, exciting evening.

"The Music Man," written by Meredith Wilson and Franklin Lacey, is set in the year 1912. "The Music Man" tells of a traveling con artist, alias band director, who tries to sell the stubborn citizens of River City, Iowa, band instruments. However, "The Music Man," professor Harold Hill, doesn't know a big brass bass from a pipe organ, yet "sweet talks" his way into the hearts of everyone and turns a sleepy town into a musical extravaganza. While in River City, he falls in love with Marian Paroo, the town's snooty librarian, played by Kella Wootton.

"The Music Man" is one of the most famous Broadway productions to appear in New York, starring Robert Preston. Hollywood also made it into a movie starring Robert Preston and Shirley Jones.

The cast gets hyped up for the evening's performance with a rousing traditional chorus of "Firemen."

Vania Arora as "Eualie Mackecknie Shinn," the outspoken wife of the mayor, heads the Ladies' DelSarte Committee.

Taking a break from rehearsal, Senior Sam Frushour relaxes with a little piano music.

"Winthrop," along with the other town-boys, eagerly await the arrival to the Wells Fargo Wagon.

Con artist "Harold Hill" captivates the River City townspeople with visions of a marching band.

ACADEMICS

The school day was the same basic routine. Teachers were still giving the same lectures and many students were still bored and uninterested.

Teachers assigned the basic homework, and some students managed a variety of "reasons" for not being able to turn their work in on time. Test days were popular days to be home "sick".

Required classes probably gave students the most trouble, since many students were tak-

ing these classes because of necessary credits.

The basic routine became more interesting with a little creativity on the part of the teachers. Video tapes, films, and guest speakers added spice while still stressing basic skills.

Electives also added a new twist. Whether it was learning a foreign language, baking cookies, or playing a musical instrument, these were good ways to liven up the basic routine.

Challenges Faced by Administration

Snider's administration has undergone some changes in personnel in recent years and this year is no exception.

A new assistant to the principal and new assistant principal as well as guidance counselor were among the staff members added.

One thing the administration did not have to worry about this year was the weather. Due to the mild temperatures and lack of snowfall, no weather related days caused postponement of events.

Through the years, in spite of changes, Snider policy has remained consistent and quality of educational opportunity for all has been strengthened for the future.

Language Arts Basic to Success

This year Snider Language Arts Department started implementing broad curriculum changes. In an effort to keep pace with the changing needs of today's students, more emphasis on building skills in communication was stressed.

Such courses as: Power English, Business English and Current Studies will be available as well as the Creative Writing, Literature and Speech.

Courses will still be organized into three general skill levels of Advanced, Intermediate and Introductory.

In preparing students for tomorrow, emphasis on language skills are more crucial than ever. Reading, writing, listening and speaking remain the basics of a good education to all students.

Math Department Excels

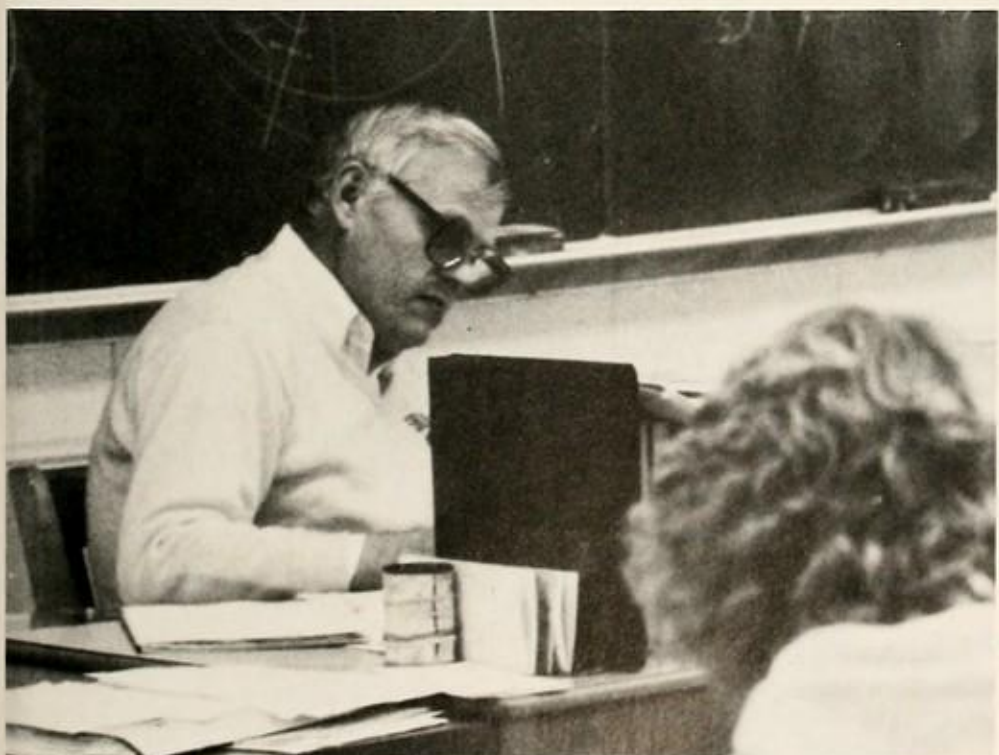

The curriculum of the mathematics department offers a wide variety of courses for the varied interests of the pupils at Snider. Although only one year of mathematics is required for graduation at Snider, a large majority elect to take two or three years and as many as twenty per cent take as much as four years. Today, pupils are beginning to realize that not electing mathematics courses, frequently closes doors to future career opportunities.

Science Proves Excellence

The Science Department of Snider has the highest percentage of students taking elective classes of any high school in Fort Wayne. A wide variety of classes are offered, all of which stress laboratory experience. For three straight years, at least one student has participated in the International Science Fair and won many prizes at the Regional Science Fair. Also for sixteen straight years, Snider Chemistry students have won first and second place or both in the Northeastern Indiana American Chemical Society test.

Science students have entered other state and national contests and competitions winning scholarship money, cash prizes and national recognition. In a national Advanced Chemistry competition, Snider placed in the top five schools. Each year dozens of students pursue successful college careers leading to employment as engineers, medical professionals, research scientists, teachers of science and many other science related fields.

To provide all students with science skills, Snider offers enough different kinds of classes that any interested student should be able to find satisfactory. An excellent science staff, geared to working in the laboratory, provides leadership and helps make this school one of the finest public high schools in Indiana.

Foreign Language Prospers

The foreign language department of Snider High School ranks among the three best in the State of Indiana.

Quality of instruction takes place in its rooms along with enthusiasm, dedication and interaction between students and teachers.

A variety of courses makes this foreign language department unique. Special programs such as the Glenwood Elementary School project in Spanish and French conducted entirely by students, under the guidance and direction of their teachers is making a big impact in this school community. There is not a dull moment in any language class at Snider.

Focus On Business

The Business Department offers a wide range of courses to meet the varied needs and interests of Snider students.

Skill areas, such as typing and shorthand, help to prepare students for employment in the office. Courses such as accounting, business law, and business organization and management help to give a good business background to those students who plan to major in business in college. Students may elect typing or college notehand for their personal use. A select group of Snider juniors has begun training in a new computer-related program.

Marketing and Distributive Education and Cooperative Office Education have offered on-the-job training for seniors for the past several years. Students may earn credits, wages, and valuable experience in these programs.

Practical Arts: Planning for the Future

At Snider High School we consider Industrial Arts an important part of the general education of the student.

Industrial Arts offers the opportunity for its participants to learn to make constructive use of leisure time both today and in the future as well as being a good foundation for technical, and vocational programs.

Some of the courses offered are: General Shop, Woods, Metals, Drafting, Power Mechanics, Electricity, and Graphic Arts.

Fine Arts Builds Excellence

The Snider Fine Arts department has long been building a tradition of excellence. The bi-annual Snider drama productions are eagerly awaited throughout the community. The Panther Bands provide an excellent form of entertainment between plays at sporting events, as well as in concerts. Furthermore, the Orchestra and Choirs yield hours of enjoyment at their many concerts. Indeed, the Snider Fine Arts department is a cherished part of the local community.

P. E. Offers Challenges

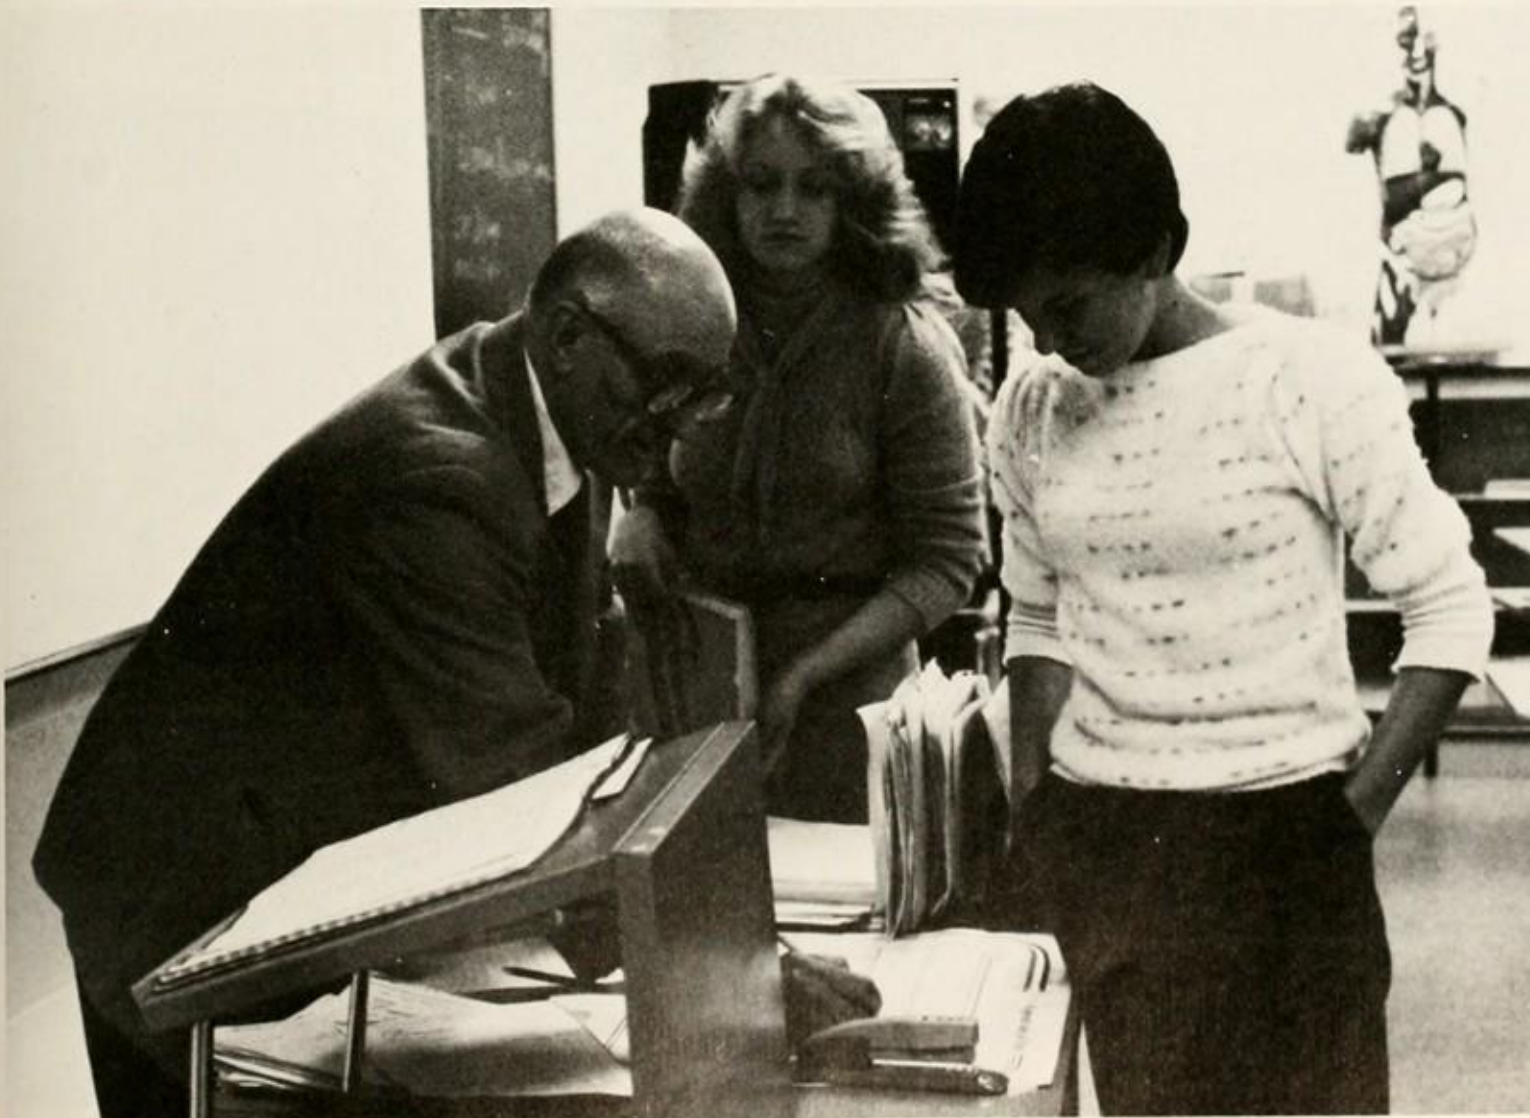

The Physical Education Department emphasizes appreciation for physical fitness accompanied by an opportunity in both lifetime and team sports. Freshman and Sophomore P. E. is designed to give students the opportunity to partake in a variety of activity.

Independent Study, a new course, is designed for the senior who is interested in making a career of P. E., recreation, or health fields. This year several students participated in a cadet teaching experiment in which they were allowed to shadow a teacher for a nine week grading period. Some students did their cadet teaching at other schools.

Phys. Ed. is set up to try to accommodate the needs of all students and to emphasize the importance of lifetime fitness.

CLUBS

Clubs and Organizations are very popular at Snider. Through participation in club activities students are able to get together with their friends and also meet new people with similar interests.

Foreign language clubs, probably the most popular at Snider, sponsored many activities that were not only fun, but also gave students a better understanding of different cultures.

Some clubs also performed many activities to benefit the community. The Student Council, with the sponsoring of the State School Christmas party, brought joy into the lives of

many of the residents and also gave themselves a good feeling. The VIP Club which sponsored the Red Cross blood donation and the Letterman's Club which sponsored the Christmas Bureau Family Project both contributed valuable community services.

Co-Curricular clubs such as DECA and COE offered students activities to increase leadership qualities and business skills as well.

Club activities allowed students to learn how to get along together, how to organize activities, and to have fun at the same time.

Student Council Sponsors Events

The 1982-83 Snider High School Student Government convened several times during the summer to begin preparing for an exciting school year for the entire student body. They commenced the year with the annual Kick-off dance, and spent many long hours finalizing the activities for Homecoming, which proved to be immensely successful. The advent of winter saw the council planning the Semi-formal Dance and the State Hospital Christmas project. Both of these events were a tremendously beneficial to all of those who participated. The Morp was one of the most successful dances ever held at Snider. The service of the Student Council helped make this one of the best years ever for Snider.

VIP Active In Service Throughout

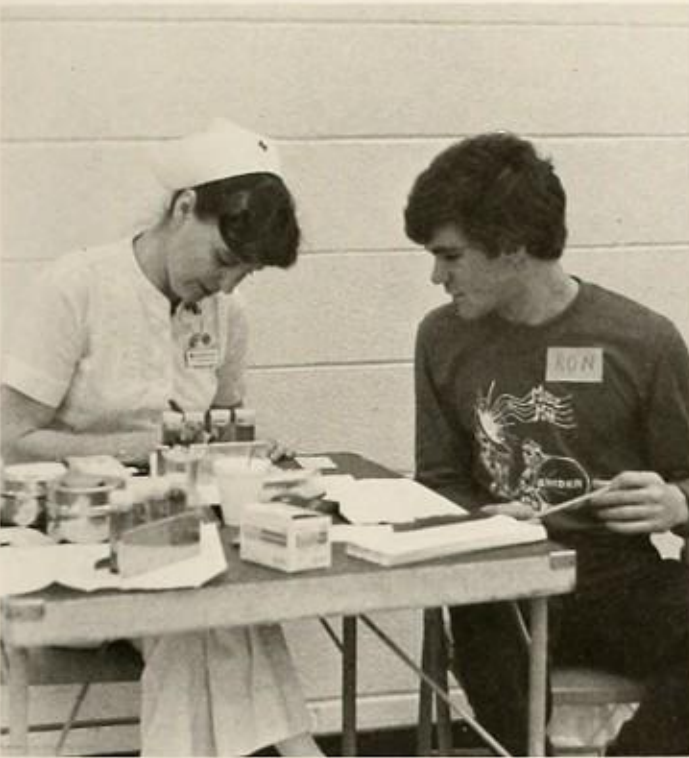

Year

The VIP club is a very active service club at Snider. They support many successful projects. The selling of carnations for Valentine's Day along with the giving of blood at the Red Cross blood mobile are both main attractions each year. Many students look forward to the projects that the VIP club sponsors each year.

Safari Staff Captures Memories

Pictures, pictures, everyone loves pictures. That's what a yearbook is all about. It's also about planning your work and working your plan. That's the name of the game. It takes a dedicated team effort to make the plan a reality. But it can be done and done well! It takes leaders who can lead, and followers who are willing to follow. Everyone is important, because every part fits together to make up the whole. It can be fun, too. You're following the pulse beat of the school. You are recording history for others to see and recall in the years to come. You get to see the pictures first, and pick the ones to use. You are putting the year together before your very eyes. It is an awesome task! But the rewards are great, and it is worth the time you spend.

Scroll Staff has busy year

Deadlines, copy, pictures — publishing the weekly school paper is an integral part of the school's total environment. For it is these weekly issues which mirror the life and real concerns of the student body as a whole. When things are running smoothly, the staff is happy. But when someone lets the others down by not doing his or her share, it can affect the whole team. For it is indeed a team effort, in the truest sense of the word. But because each member has a separate job to do, you have to have leaders to pull it all together. This is where the editors come in. They have some real responsibility and must prepare to handle it. If they let down, the rest will follow their example. Managing time, effort and priorities is the name of the game and it can be done and done well. The rewards are there too. Not only personal "glory" but the feeling of real accomplishment second to none. It is an experience that is worth it!

Hockey Team Finishes First

The Snider Hockey Club finished a good season with a 11-3-1 record. In the state tournament they finished fourth. This was somewhat of a rebuilding year, after losing nine seniors and the coach the year before. The new coaches, Robbie Laird and Robbie Irons, did a good job with the team, which finished first in the league.

The team was anchored by a strong defense and solid goaltending. Only three seniors were on the team, Todd Wappes, Rich Oberlin, and Ali Warr, however, all three were defensemen and will be badly missed next year.

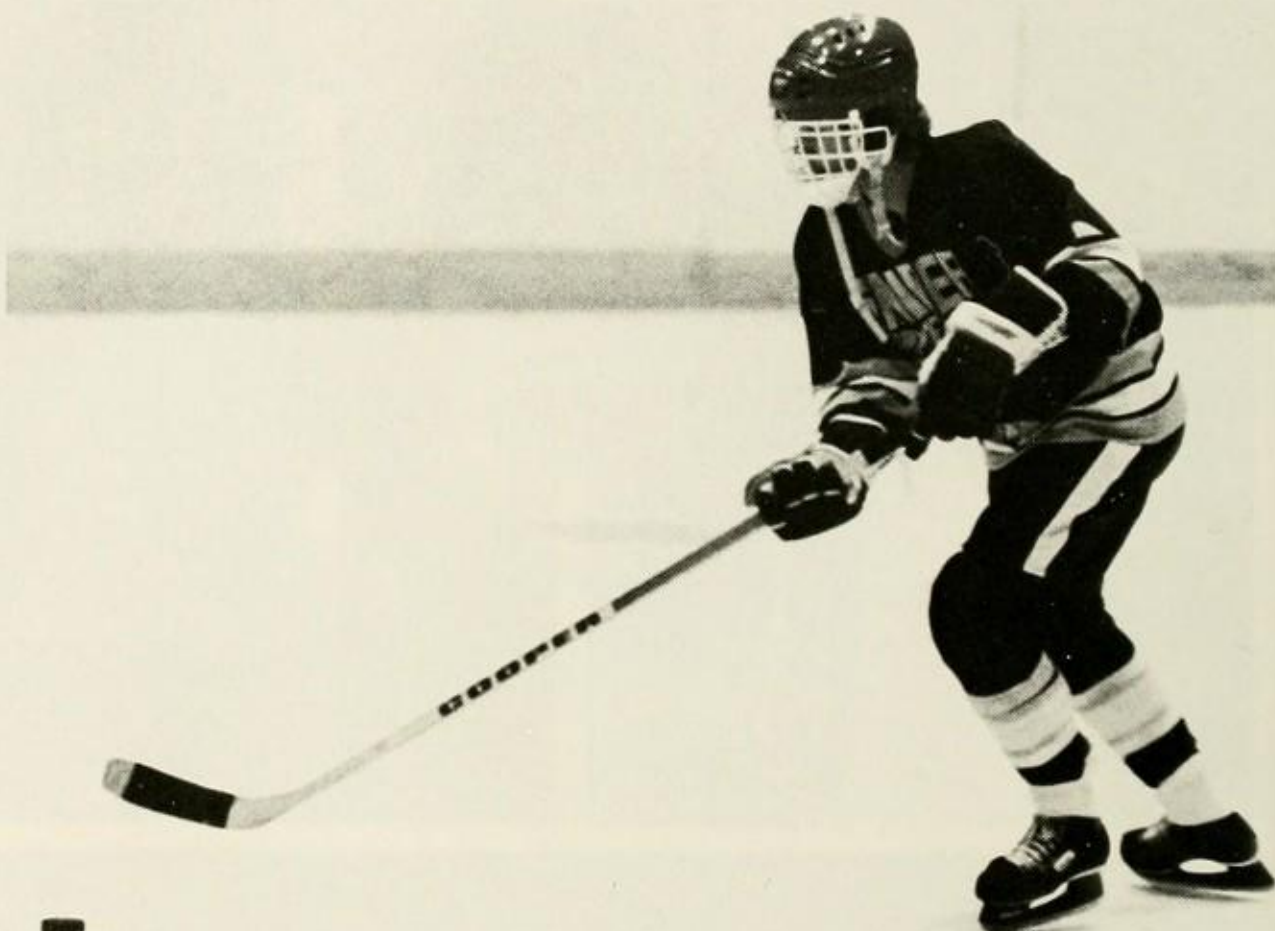

Todd Wappes, Larry Carl, Scott Brubaker, and Matt Zimmerman warm up before the game.

"Look what I found," says Tom Herb as he makes another save.

Scott Brubaker intercepts an opponent's pass.

The football players celebrate another Snider victory!

SPORTS

Much of school life at Snider revolves around sports.

When one student asks another student, "Are you going to the game?" they are usually talking about more than just watching the game.

Going to a sporting event is more than sitting on the bleachers and cheering the team on . . . It is a big event, the chance to get out of the house, to see your friends, and to do many other "fun things" before and after the game.

Of course, students expect Snider to win, and in most cases, they came through. Thanks to the basics of teamwork, practice, and good coaching, athletic teams at Snider are very successful. Win or lose the athletes know the importance of showing good sportsmanship at all times.

Whether students are participants in sports or spectators, athletics continue to be an important part of school life at Snider.

Mike Nash is congratulated by Coach Tom Swihart after running a good race.

Panthers Take SAC, Sectional, Regional, For Second Year

Varsity Football Team - Front Row - Tim Piekarski, Archie Lunsey, Joel Autry, Mark McKibben, Tom Dame, Larry Young, Tim Smith, V. J. Menor, Byron Hutchins, Robert Anderson, Bobby Bishop, Row 2 - John Ramsey, Randal Anderson, Jerome Hogue, Darrin Norman, Mike Burke, Frank Benhower, Charles Washington, Jeff Garrett, Mike West, Earl Bennett, James Hill, Row 3 - Phil Phillips, Paul Hetton, John Barchak, Tony Jinks, Terrance Jackson, Kevin Munro, Gary Haffner, Tim McCrady, Keith Ward, Row 4 - Mark Lichti, Brian Wise, Steve Wild, Larry Carl, Dave Witucki, Mike Brown, John Phillips, Chris Russell, Darnell Nichols, Rico Boykins, Rod Woodson, Row 5 - Holly Clark, Adam Connelly, Brad Beck, Kent Oberlin, Phil Sheets, Ted Scofield, Greg Etzler, Chris Spitler, Martin Edwards, Geoff Williams, Tim Allison, Row 6 - Becky Thoma, Kelli Crider, Brian Vanderford, Mark Carroll, Steve Hamm, Pat Cirillo, Dave Hatcher, Mike Cramer, Kurt Wilkening, Sam Walker, Mike Gephart, Row 7 - Mike Arnold, Marv Arnold, Russ Bush, Mike Hawley, Dean Fast, Russ Isaacs, Don Schatter, Joe Lyon, James Huth.

Speed, experience, and intelligence, helped the Snider Varsity football team defend the SAC championship. Although the team started with a loss, they caught fire with each succeeding victory.

Even the number one rated Lafayette Jeff. found the Woodson, Ramsey, Bennett, and Anderson combination unstoppable. They defended the SAC, the Sectional, and Regional championships. Although this year the Snider team lost in Semi-State to Hobart, they earned the respect that football teams have for them state-wide. The Seniors on the year's team, in their entire football careers at Snider, have only lost four games.

Coach Hawley, "the best coach around", according to Senior Joel Autry, will be depending upon this year's juniors and sophomores to carry on what is fast becoming tradition.

John Ramsey maneuvers around an opponent to gain yardage for the Panthers.

Coaches Isaacs and Bush rejoice with a victorious embrace as the Panthers score another touchdown.

Jeff Garrett looks pleased about causing the fumble that resulted in the winning touchdown against Dwenger.

Reserve Carries On Winning Tradition

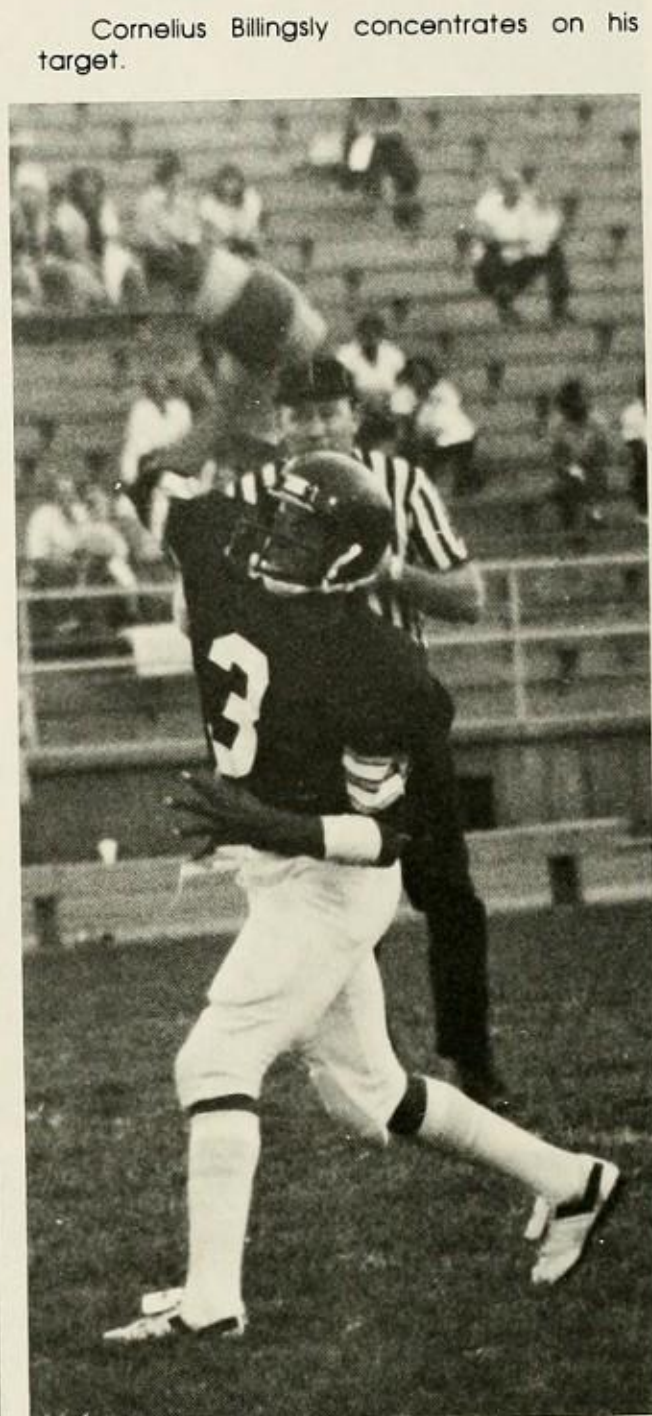

Following in the steps of the Varsity football team, the reserves also pulled off a winning season with a record of 8-1. A lot of the credit goes to the long hours of practice after school and the leadership of Coach Russ Isaacs.

Many of these players will go on to play varsity next year, with possibly even 8 or 9 on the starting line up. These Reserve players will have the challenge of defending the SAC title, a job that will not be easy.

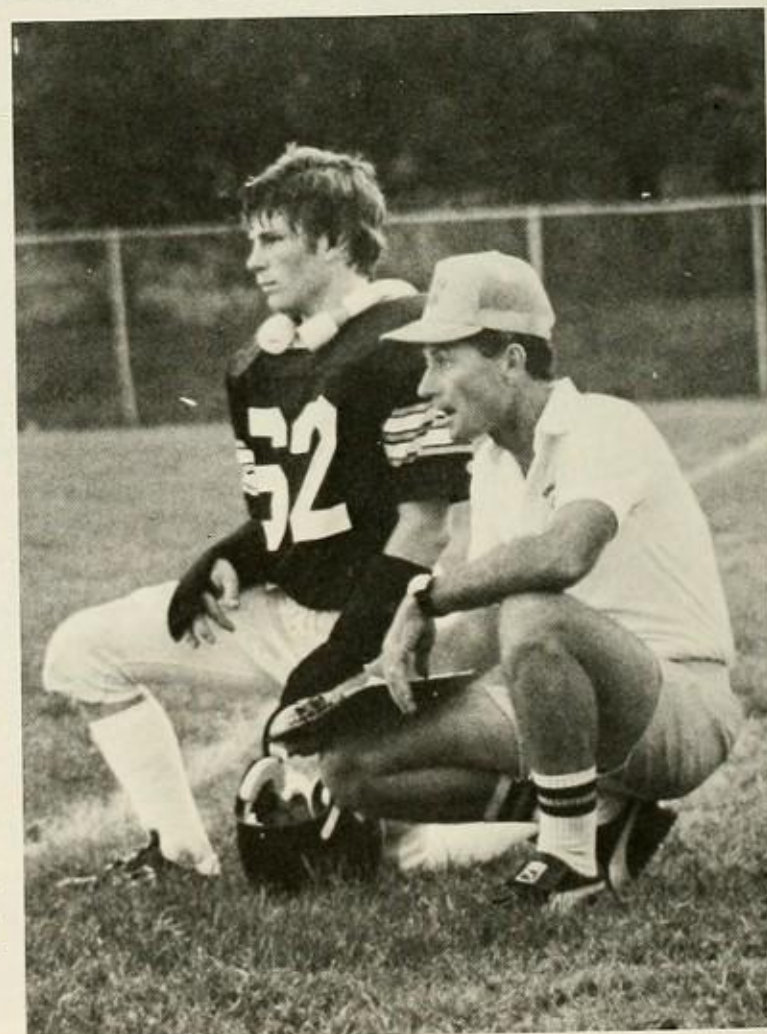

On the whole, the season was excellent, and the football teams of next year look very promising.

Bruce Meyers outsmarts his opponent.

Coach Dean Fast and Sophomore Todd Light anticipate the next play.

Bob Tichae leaps to a successful reception.

Freshmen Post Excellent Season

If the freshman football team continues to improve and play as they did this year, Snider's football success will undoubtedly continue.

There were forty-nine talented and speedy young men who led this year's freshman team to a record of 6-1-1. They worked hard in order to accomplish such a great record.

Under the coaching of Marvin Arnold, this team learned discipline, the basics of football and received the experience which will enable them to be a great success next year as they move up to Reserve.

Freshman quarterback Lacey Spearman shows good in his passing ability. Freshman sensation Greg Taves shows his great kicking potential.

Running for Success

Todd Smith receives his time from the officials.

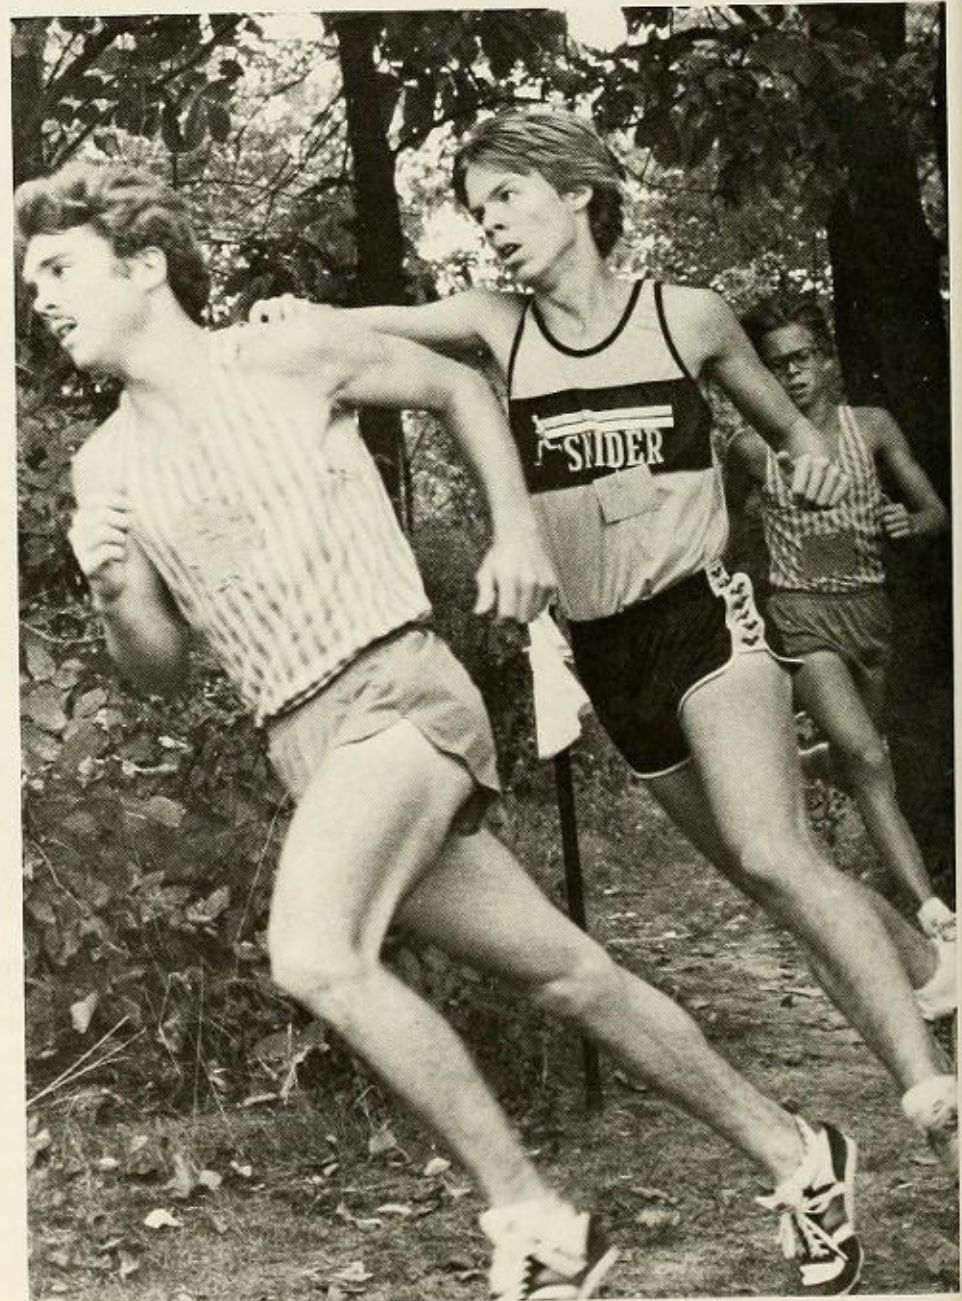

The Panther Boys' Cross Country Team enjoyed another excellent season. The varsity finished the season with a 12-4 record, while the reserves had a fine 12-1 result. The harriers placed third in the S.A.C. meet, third in the Sectional, and fifth in the Regional. The reserves placed second in the conference.

Senior Kenny Williams performed consistently as the top Panther runner, and capped off his final season by qualifying for the semi-state. Other varsity runners included: Seniors Tom Bennett, Phil Herndon, and Eric Baumgartel, Juniors, Steve West and Mike Nash, Sophomores, Tim Ackerman, Tim Duncan, Doug Sawyer, and Freshman Jim Scheerer. Williams, West and Herndon were all named to the conference team.

Girls' Cross Country Team - Front row - Laura Connell, Pam Anderson, Sara Bopp. Row 2 - Becky Patterson, Teresa Rozier, Jennifer Diller, Coach Marge Smith.

Becky Patterson's face shows the kind of determination it takes to run cross country.

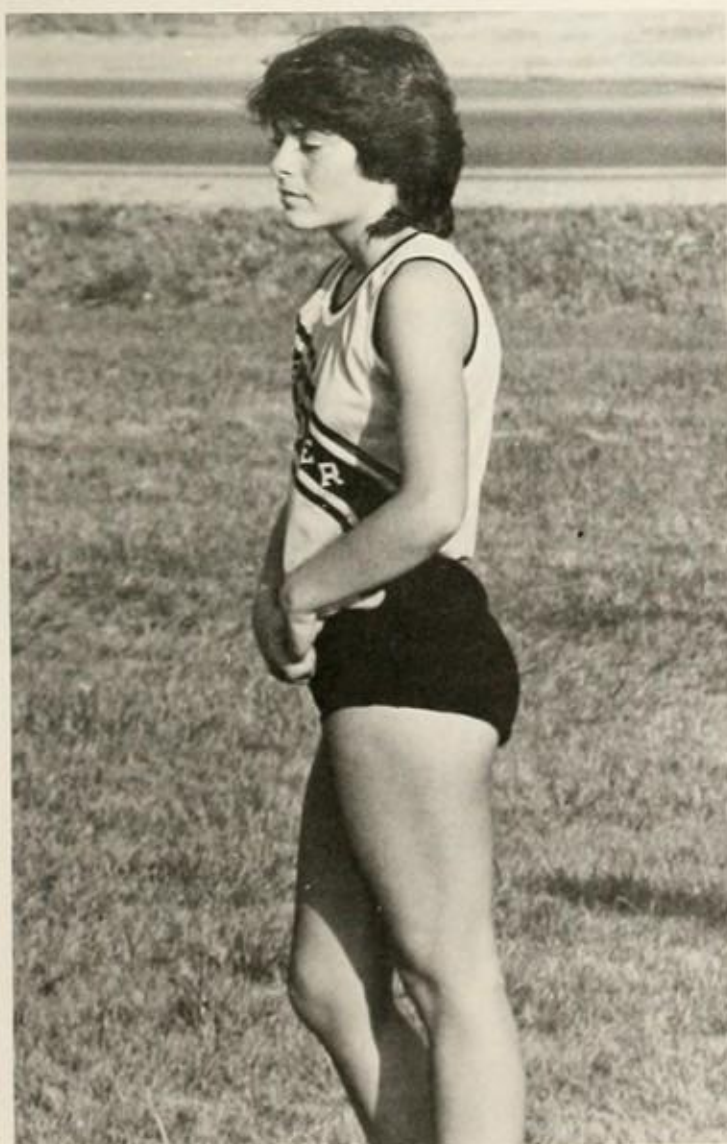

The 1982 season proved to be successful for girls' cross country. The team participated in four invitationals and placed extremely well in all. The Northrop Invitational was the most successful, with the team placing fourth out of a field of 12 teams and in the top 50% of the Manchester Invitational. Tracy Rozier and Becky Patterson placed first and second respectively in both meets.

In the second year of girls cross country, the team's performance in all meets was something to be proud of.

Tracy Rozier and Becky Patterson were the team's top runners with Jenny Diller and Laura Connell following very closely behind. Pam Anderson, Sarah Bopp, and Heidi Krueger also added to the success of the team.

Next year looks very promising with the entire team returning, with the exception of Teresa Rozier, who was unfortunately injured early in the season.

The team was Sectional Champions and finished second in the S.A.C. Jeff Glock and Brad Martin both had super seasons, being undefeated at their number one doubles position. Jim Solloway and Doug Foy also had good seasons as they alternated at the number one singles position. The other four letter winners on the team were: Sophomores Dick Galbreath, Dave Van Wyngarden, Scott Courtois, and Dave Swanson.

The high point of the season was defeating S.A.C. Champion South Side in Sectional Semifinal play and then going on to win the Sectional.

Volleyball Earns Respect

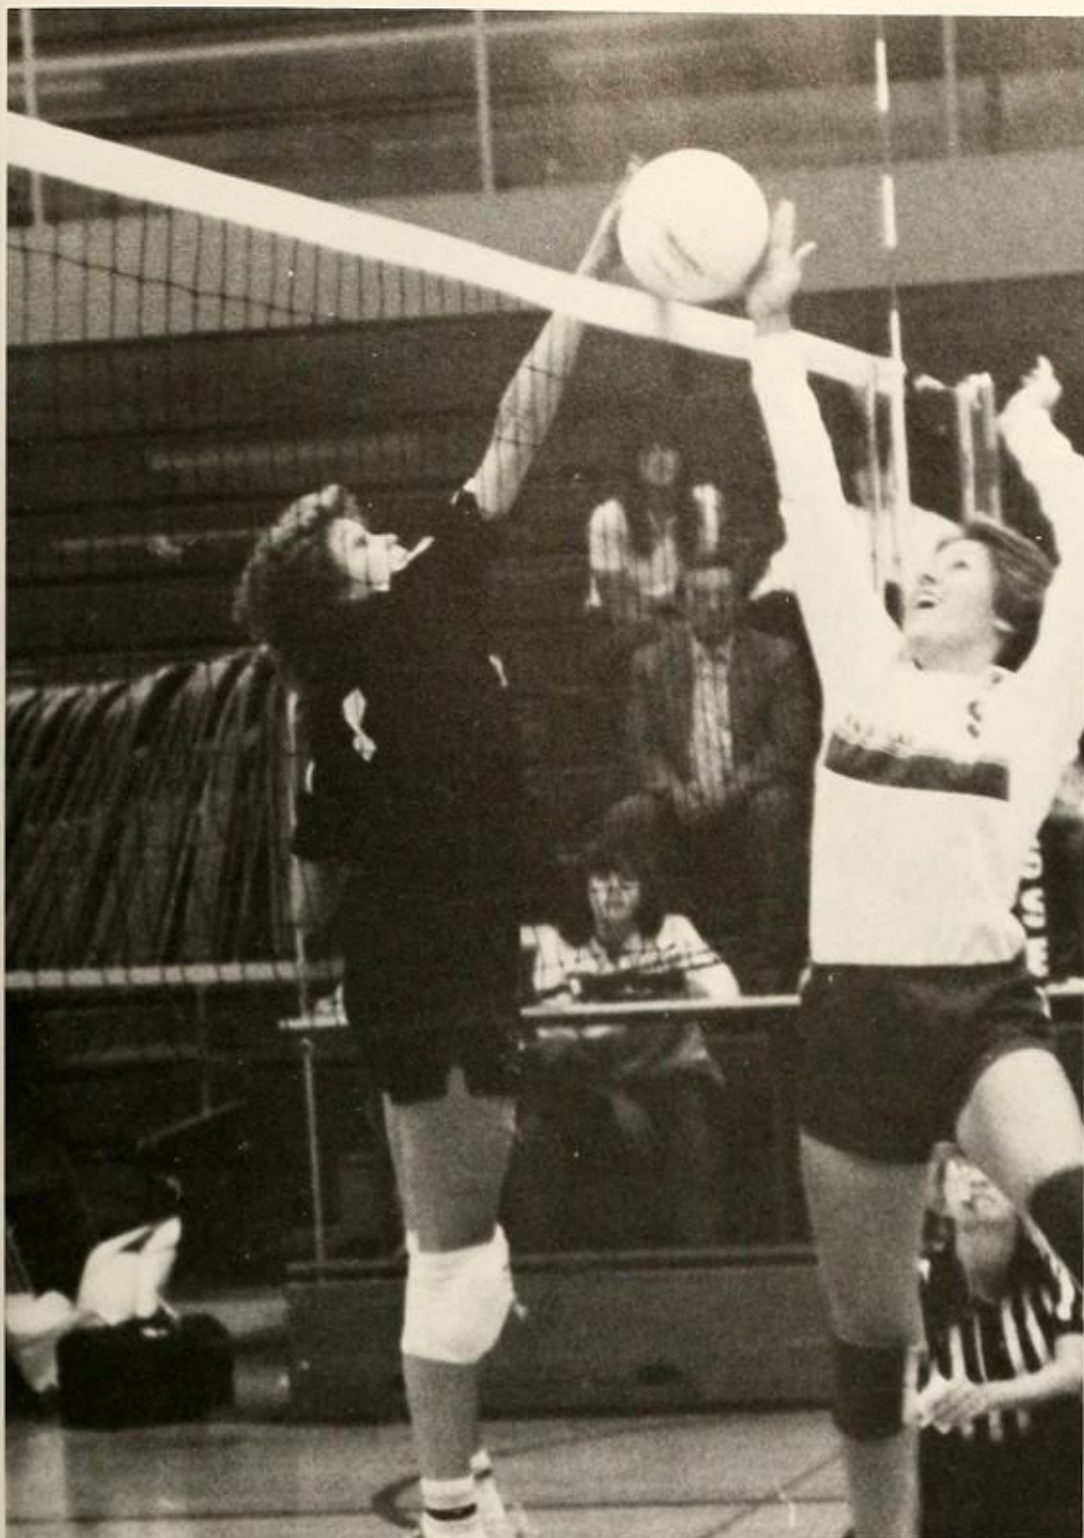

The Panther volleyball team had a good season in '82. The team finished 9-7 with a fourth place in the SAC. The season was fulfilled by defeating rivals Concordia, North Side, and Northrop, each in two games.

Team Co-Captains Mary Ellen Lee and Kris Espy were named to the all SAC first and second teams respectively. Karen Baney earned honorable mention on the All Area Squad. MVP was given to Kris Espy while Mental Attitude was earned by Terah Skelton.

Winning Tradition Continues

Girls' golf continued its winning tradition thanks to a versatile lineup of girls who thrived on competition. Each golfer demonstrated marked improvement; some took over ten strokes off last year's average. Having four returning lettermen aided these Panther ladies in compiling a 9 and 4 record. Among this year's accomplishments were a third place finish in the Huntington Invitational and a fifth place finish in the Sectionals. Lisa Leonard qualified for Regionals as well. Lori Westerhausen was medalist in seven matches, third in the Northrop Invitational, and fourth in the Huntington Invitational. In addition to being the 1982 Most Valuable Player, Lori was also named to the Journal Gazette All-Area Golf Team.

Four of the eight members will be returning in '83 to keep our record of achievements growing.

Panthers Win First SAC Title

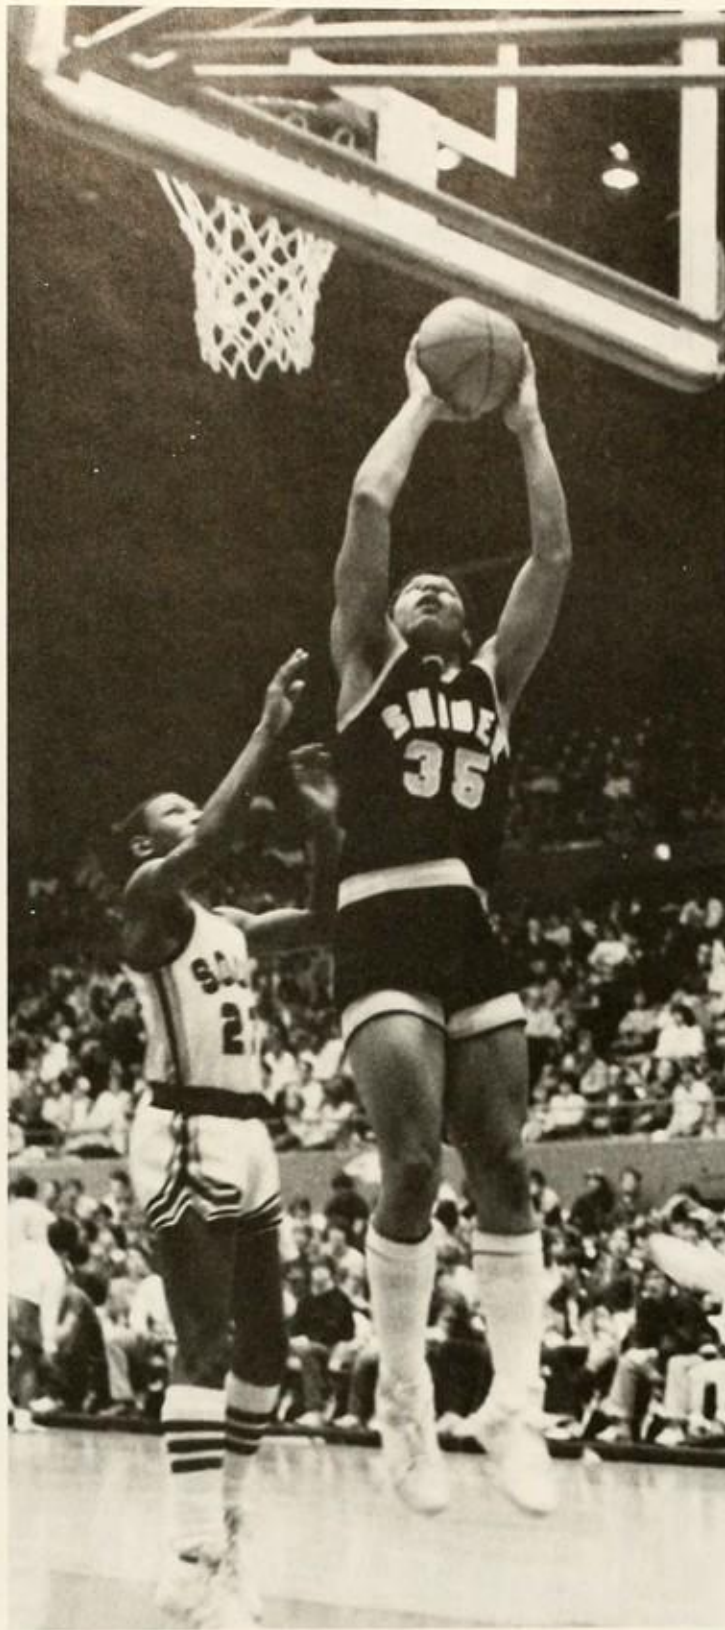

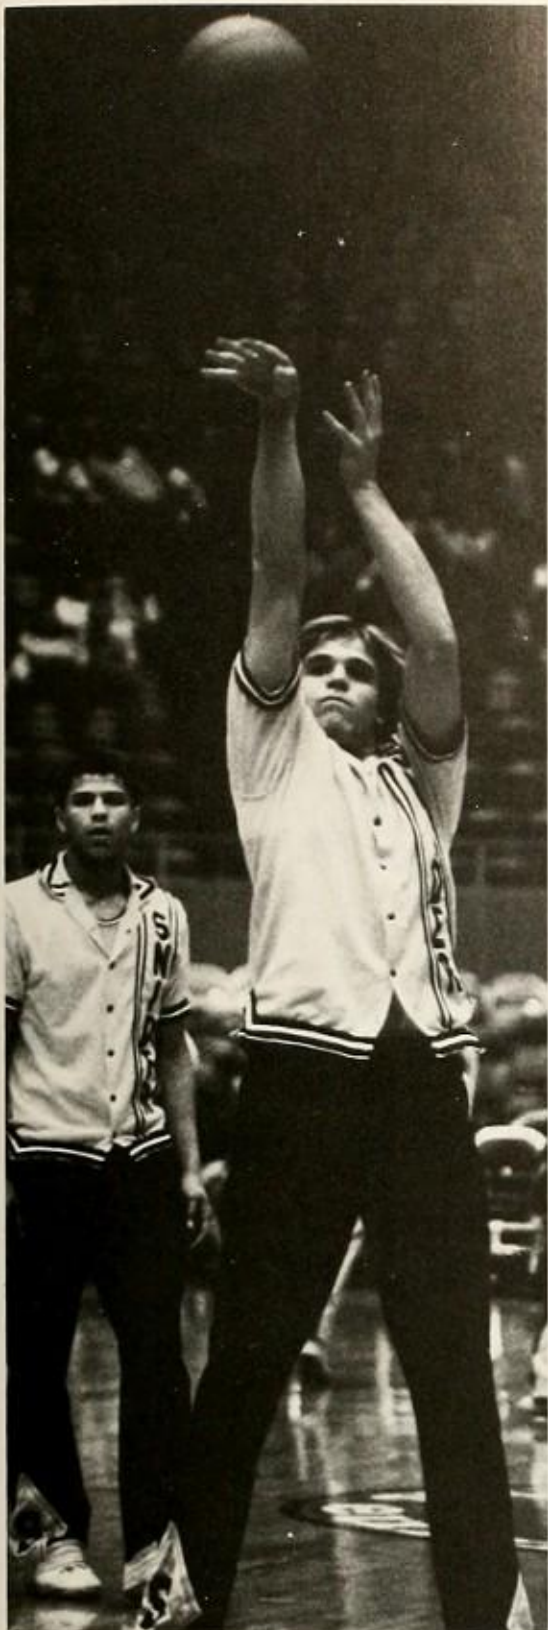

The Snider High School Boy's Basketball team ended a fine season with a 17-6 record. They were the first Boys Basketball team in Snider's history to win the SAC Championship. They posted a 9-0 record in the conference. This SAC Championship team placed two members on the All-SAC team: Rod Woodson and Booker James. Booker earned a position on the All-Area team as well as being a selection for the All-State team. The panthers were involved in a number of close games. Of the six losses, one was by one point in overtime, and three were lost by two points each in double overtime. Through these tough battles, the mighty panthers showed outstanding defense along with their determination to be the winners that they are.

Reserves Stress Teamwork

The Panther sophomore and reserve boys basketball teams completed very competitive and successful seasons. Stressing fundamentals and teamwork, the sophomores carved out a 7-3 record. Their play throughout the season improved with each game as they recorded wins over five SAC schools as well as Marion and East Noble.

Playing with various combinations of sophomores and juniors, the reserve team finished the season with a fine 16-4 record. Losing only to Indianapolis Secina outside of the city, this year's junior varsity avenged earlier losses to Northrop and Dwenger. The reserve team seemed to have a knack of winning close games as they came out on top in four overtime games as well as a few other games with slim margins of victory. In keeping with the tradition set by last year's fine team, the success of this season's junior varsity is certain to carry over into next season.

Freshmen Have Promising Season

The ninth grade basketball finished the season with a "promising" record of 8-5. "Promising" describes this team well as 4 of their 5 losses were by a margin of 2 points or less. The team showed signs of great determination and will. This team has the ability to carry on the winning tradition of Snider basketball.

Girls Set Winning Tradition

The 1982-83 Girls basketball team was the best in the history of Snider High School. They were the first team to ever have a winning season. The girls won 14 while losing 7. They also were the first team to ever win a Sectional Championship. The team had a great attitude, strong rebounding and good shooters. They also had excellent Senior leadership from Terah Skelton, Jeanne Gerard, Lafieta Cooper, and Karen Baney.

Wrestlers Uphold Winning Tradition

The 1982-83 wrestling team started the season with seven returning lettermen and the other positions were filled by inexperienced wrestlers. The team's success depended a great deal on the accomplishments of these inexperienced wrestlers.

'82-'83 marked the first SAC tournament which turned out to be tough. For the Seventh time in a row the Panthers came out on top. All-SAC selections from the Panther team were Elbert Starks - 112, and Tom Bennett - 138.

The Panthers dominated the Sectional. Snider crowned seven champions. The team put forth its best effort of the year and captured the Regional title. Snider placed three wrestlers for the State Competition. They were Tom Bennett, Elbert Starks and Sam Walker. The team placed seventeenth.

Gymnasts Strut Their Stuff

The 1983 gymnastics season proved to be a very successful one. The Snider gymnasts captured third place in the SAC with a record of 6-2, and finished 10-2 overall. The optional team was comprised of senior Donna Mulpagano, junior Pam Anderson, and sophomores Nancy Lucas, Andrea Elyea, and Sue Weaver.

There were many highlights in 1983. Early in the season they placed second in the SAC Invitational. At the sectional, Kirsten Ruble placed second on the compulsory floor exercise, and Sue Weaver placed third on the optional floor exercise. This year's SAC team included sophomores Sue Weaver and Nancy Lucas. Andrea Elyea received an honorable mention. Sue Weaver was also named to the All-Area team. Girls Tennis has 13-2 record

The Girls' Tennis team had a very successful year ending the season with a 13-2 record. The team's only defeats were to Dwenger and Luers. They tied with North Central of Indianapolis for first place in the Muncie North Invitational before being rained out. The team is losing five seniors this year but much talent is coming along and the remaining players are looking forward to next year's challenge. Baseball team has building year

The 1983 Panther Baseball team, hit hard by graduation in 1982, spent the year trying to put all phases of the game together. With 5 pitchers that consisted of 2 juniors, 2 sophomores and 1 freshman the task was a rough one.

The team played well together, improved their defense and by the end of the season won some games in their tough schedule that many felt they could not win. At the close of the season the Panthers beat 3 conference champions, Garrett 6-2, Belmont (rated 12th) 7-6, and Marion (rated 18th) 5-2.

Inexperience caught up with the Panthers again in the sectional when they spotted Concordia a 9-1 lead and finally lost 13-11.

This team never quit and with 11 returning lettermen back for 1984 it should be a championship year.

Track team has best team ever

The mighty Panther Track & Field Team of 1983 completed one of its most successful seasons ever. Highlights of this year's season include championships in the Fort Wayne Sectionals and Regionals. Coach James Gurnell's tracksters also captured the Summit Athletic Conference Championships. The team's season was completed by winning the 1982-83 State Runner-Up title. Outstanding performances were turned in by the "awesome trio" of Rod Woodson, and Geoff Williams as they ran 1-2-3 in the High Hurdles in both the Sectional and Regional meets. Another outstanding trio included John Ramsey, Rod Woodson, and Geoff Williams as they ran 1-2-3 in the 200 meter run in both the Sectional and Regional meets. Rod Woodson defended his state titles of the 1981-82 season by capturing both individual state titles in the high and low hurdles. Woodson's time in the 300 low hurdles at the state meet set a new state record and was less than a second off the National Best. Other seniors in the State Series were: Joel Autry, Todd Stockberger, Kent Oberlin, Kenny Williams, Terry Stapleton and Darrell Beachum.

Girls' Track Wins First Sectional Title

The 1983 Lady Striders proved to be the best track team in the history of Snider High School. Our varsity finished undefeated 13-0. They also added the Northrop Invitational and Sectional titles to their accomplishments. The reserve team also finished undefeated with a 13-0 season. This makes the second season in a row without a loss.

This year's team placed 2nd in the Richmond Invitational, behind #1 State ranked Indianapolis Howe. In this year's S.A.C. meet, the Lady Striders placed 3rd.

The highlight of the season had to be the winning of the Sectional, and placing fifth in State.

Boys Golf Breaks Even

With the leadership of Barry Holthaus, the golf team won 13 matches and lost 13 matches. They were 6th in the SAC, and 6th in the Fort Wayne Sectional, which had a field of 18 teams.

Barry Holthaus was selected on the SAC team for the second time, and was the first golfer or athlete to win 4 letters in golf.

We have had many good golf teams at Snider, but this team showed more improvement at the end of the golf season than any we have had for a long time.

ALBUM

Many students will turn to this section of the book first to check out their picture and the pictures of their friends.

The rows and rows of students dressed in their best clothes and flashing bright smiles represent the student body of Snider. Although there will be some faces you don't remember and those you would rather not remember, many of

these students contributed a great deal in making the 82-83 school year a memorable one.

In years to come as you reminisce about high school, you will also probably turn to this section of the book. Although the hairstyles and clothing styles will change, the memories of our high school years will always be here.

Junior, Jim McCulloch concentrates on an assignment.

Seniors, A Class Above The Rest

The Class of 1983 is referred to as "the class above all other classes." Among the memories of the class are the exciting football playoffs, the defeat in powder puff football, not to mention the outstanding 1983 track season.

The Class of "83" is compiled of a multitude of talent. This talent ranges from Tim Brown's and Ken Carlson's leadership abilities to Todd Kallmyer and Greg Buzzard's scholastic achievements to Rod Woodson's athletic abilities. These talents combined help make the Class of "83" the best class ever.

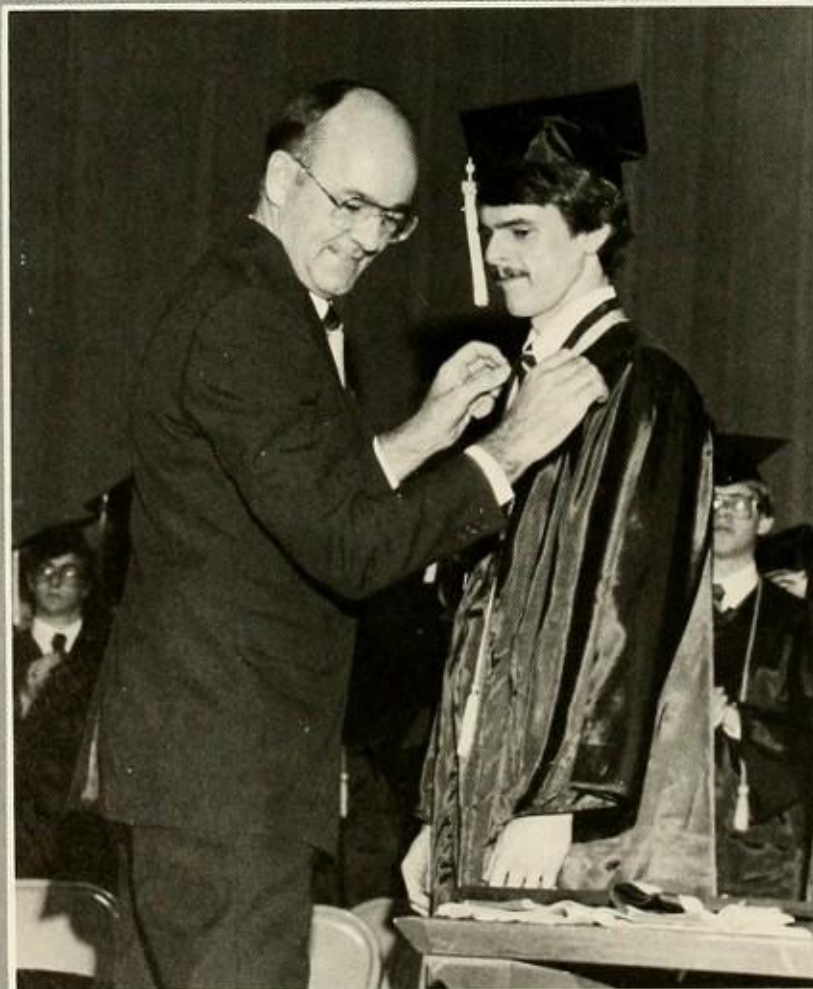

Although the class of "83" is now moving on, its memories and traditions will remain at Snider forever.

Juniors Move Up

Here we are with one more year to go. The Junior Class's second year at Snider has proved very successful. At the Powder Puff football game, the juniors were very successful. We helped our football team on to a regional victory. Many juniors performed in the fall play. The list is endless.

We, the class of '84', are looking up and moving up to next year, our senior year.

Junior class officers: (L to R) Treasurer, Robin Cappelli; Secretary, Pam Anderson; Vice-President, Jim Epps; President, Alan Elick.

Juniors look on as football players perform at a pep session.

Sophs Excel In Decorating

It was an exciting second year for the Sophomore Class at Snider High School. They started out the year with a first place finish in the Homecoming hall decoration contest. Some of the most skillful sophomores excelled in gymnastics, basketball, tennis and wrestling. The sophomores are now beginning to mold into the system of Snider High School. We can expect to see great accomplishments from the Sophomore Class in the future.

Frosh Adapt to Panther Life

Freshmen Class Officers are (l to r): Katie Henderson, secretary; Karla Hey, treasurer; Janet Wright, vice president; and Susie Lewis (in front), president.

Being on the bottom rung of the ladder of education is not always a fun place to be. However, Snider's freshmen class managed to get adjusted fast and make the most of the situation. Many students jumped right into the swim of things and got involved in sports and clubs activities, knowing this to be a successful way to fit in. Many also excelled in academics and found the dreaded high school curriculum to be less awesome than they had feared. Being new really proved to be just a state of mind, as all things are relative in the end. With good leadership and helpful friends, everyone soon felt at home.

At Pep sessions freshmen sit at the top of the gym, knowing in a few years, they'll be down front "where the action is."

Memories . . .

Ending it Up!

Another year has come to a close. Freshmen, sophomores, and juniors will have three months of rest before the next school year begins. Seniors will be planning their futures.

After many hours of hard work, the 1983 Safari is a reality. The book would not have been possible without the combined efforts of staff, advisor and company representative.

Many thanks go to our advisor, Mrs. Eleanor Shaw, and our represen-

tative from Walsworth Publishing Company, Susan Pressler. Without their guidance, the yearbook would probably still be on the drawing board.

Despite the work, it has been a worthwhile and rewarding experience recording the events of the '82-'83 school year.
